

Do's & Don'ts

Sharing Your Vitalité Product Story

When you're seeing results with Vitalité, of course you want to share your stories and experiences!

Let's make sure you can do so while staying compliant! With some simple do's and don'ts, you'll be able to share your true story with Vitalité while protecting your business.

NOTE: It's important to refrain from referencing ANY medical conditions, diseases, or other ailments such as anxiety, arthritis, autoimmune diseases, or the symptoms of any of these with all products.

Do Say:

- Provides a vast portfolio of vitamins, minerals & nutrients vital for proper health
- Promotes heart, brain, and eye health
- Supports a healthy gut microbiome
- Convenient and portioned packaging for daily use
- Works at the cellular level to deliver the essential nutrients your body needs to perform at its best
- Naturally derived vitamins and minerals possess superior absorption over their synthetic counterparts

Example: "I have added Vitalité to my supplement regimen and I am feeling great!"

Example: "I love knowing that Vitalité has superior absorption. I can really feel the difference!"

Don't Say:

- Enhances mood/combats moodiness
- Boosts immune system
- Boosts energy/reduces fatigue
- Reduces bloating
- Weight loss
- Reduces brain fog/confusion
- Same absorption as intravenous delivery
- Do not show medical records (i.e. reduction in cholesterol levels)

Example: "Vitalité has helped me to feel much less anxious and I am always in a good mood."

Example: "I am down 2 dress sizes, just by taking taking Vitalité."
