FALL in Love with THREE!

1. The Free Product promotion is limited to 600 orders globally in each category. The Token promotion is limited to 2,000 orders globally in each category.
2. Promotion is available for both new and existing Brand Ambassadors and Customers.
3. The promotion includes enrollment packs, create-a-pack, à la carte purchases, prepaid purchases (packs and individual products), and monthly recurring Smart Ship. However, any orders containing **ONLY** Éternel products, whether through create-a-pack, à la carte purchases, recurring Smart Ship or prepaid Éternel purchases, are **excluded** from both the Token and Free Product promotions. For example, prepaid Smart Ship Longevity Packs (3 months and 6 months) are excluded from this promotion. Additionally, event and Convention ticket purchases are not eligible for this promotion.
4. Purchase amounts are calculated before shipping and taxes.
5. Purchases must be made in a single transaction. Cumulative purchases during the promotion period are **NOT** eligible.
6. All Tokens are issued to the purchaser.
7. Tokens earned during the promotion will be issued on **November 1st, 2024**.
8. Tokens can be used to pay for up to 50% of the subtotal (not including tax or shipping) of any order in the Back Office, enrollment site, or retail site. CV will not be reduced when a Token is applied. Tokens can also be gifted or shared with other Brand Ambassadors or retail customers. If used, any remaining balance on the Token will be reissued to the original owner as a new Token.
9. Token earnings are **NOT** cumulative. See examples below:

Example 1: A \$2,800 one-time purchase (e.g., Founder +) qualifies for a maximum of a \$100 token, in addition to the regular Token earned with the purchase of the Founder +.

Example 2: A \$400 one-time purchase qualifies for a \$30 Token, based on the \$300 one-time purchase threshold.
10. Free products will be shipped together with the qualifying purchase.
11. The company reserves the right to deduct earned Tokens due to any and all returns.
