

DOUBLE

CUSTOMER COMMISSIONS!

Begins 11/04/2024 at 12:00 am MDT | 11/04/2024 at 3:00 pm HKT

Ends 11/17/2024 at 11:59 pm MDT | 11/18/2024 at 2:59:59 pm HKT

HOW IT WORKS:

Whether they're new, existing, or a combination of both, if you have at least 10 personally enrolled customers placing an order during the promotional period, we will double your customer commissions for all customer sales made during this time!

DON'T FORGET...

For 2025 Incentive Trips, enjoy enhanced Customer Volume. Example: Éternel = 60 CV counts towards PGV and PSV. Regular customer commissions will be paid out daily; the additional customer commission will be paid after the promotional period ends.

THERE'S MORE!

As part of the Three Rewards Plan, for every 10 new personally enrolled customers, you'll also receive a \$100 rewards certificate, in addition to doubling your customer commissions!

TERMS AND CONDITIONS

The additional (top-up) customer commission will be paid out after the promotion ends, on November 22nd, 2024.

If any orders are returned, the company reserves the right to deduct the corresponding bonuses.

Each customer's order must be commissionable, with a minimum of 1 CV (Commissionable Volume) to qualify. If a customer participates in Customer Smart Ship programs, their orders will also count toward this promotion. Additionally, if a customer applies a Rewards Certificate or Token to the order and the order has at least 1 CV, it will count toward the 10-customer requirement.

If a Brand Ambassador has 10 unique, personally enrolled customers who place order during the promotion, they will receive double commissions on all customer sales throughout the promotion period.

The 10 customers required to qualify for double commissions must be unique (i.e., each customer must be a different person).

This promotion is available in the following markets: United States, Canada, Australia, Hong Kong, Indonesia, Macau, Malaysia, New Zealand, Philippines, Singapore, Taiwan, Thailand, Japan and Vietnam.

To qualify for double commissions, you need a total of 10 customers placing orders during the promotion period. These can be a combination of new and existing customers. For example, if you have 5 existing customers who place an order during the promotion and 5 new customers who do the same, you will meet the requirement for double commissions.
